

**MEMORIAL TOURIST FLIGHT
HANS GUTMANN 2015
01-04 July 2015
Information Bulletin #1**

Considering the low rate of participation in previous memorial tourist flights and in order to reduce the costs, we worked out a new concept for 2015.

Flying time will be reduced, fewer airfields will be visited. The aim is to fly to airfields where low or **neither landing fees nor handling fees** are to be paid.

Our base, for 4 days, will be the **airfield Jakabszallas** (LHJK), Hungary, and we will stay in the Aero-Hotel. ([maps.google.com](https://www.google.com/maps))

Jakabszallas airfield is located **near Balaton Sea**, south of Budapest. No crews, even those coming from North or South of Europe, will have to cross the Alps. Services are available, hangars, maintenance, fuel, etc.

During four days, we will fly **day trips** to airfields in neighbour countries: Austria, Czech Republic, Croatia, Hungary, Italy, Slovakia, Slovenia and Poland. (Please, have a look at the map in appendix).

Pilots can **choose their preferred destinations**, and participate in parts of the rally only.

We expect to **maximize meetings with friends** from local aero-clubs, Aeronautical Federation (FAI), European Powered Flying Union (EPFU), Europe Air Sports (EAS), Aircraft Owner and Pilot Association (AOPA), Ultra Lights (ULM), Home Build (RAS), etc.

Touristic flying activities will be organized every day, with one short and /or longer trip to **touristic highlights**, Air Museum, aircraft manufacturers, Hangar 7/8 Red Bull, in Salzburg, or Red Bull Air Race 4 July, in Budapest.

Each evening, festivities will be organized, including meals and drinks.

The **Aero-Hotel** is fitted with restaurants, swimming pool, bowling, fitness, sports centre, tennis fields, pilot bar, active relaxation, touristic organisations. (www.aerohotel.hu).

The FAI **General Aviation Commission fully supports** this long range Memorial Tourist Flight, to promote flying, air sports and air friendship, in the same spirit Hans Gutmann did for so many pilots.

The participation fee, for transport/minibus, trips, is **100 € per airplane**.

Please, don't hesitate to **circulate this information** bulletin to your members and flying friends.

More details, in May 2015, for pilots who made preliminary registration.

Jean BIRGEN

Technical Adviser of FAI General Aviation Commission
AOPA Board Member
Aero-Sport consultant and organiser

MEMORIAL TOURIST FLIGHT HANS GUTMANN 2015
01-04 July 2015

Hans Gutmann bio

Hans Gutmann was a renowned Austrian pilot, flight instructor, well known for the famous tour around the World that he achieved in 1996 on board a GlasairHS-RG that he built himself. Organiser of long-range rallies in light planes, in Europe, in Africa and even around the world, he was a highly respected participant in national and international bodies of General Aviation. In 2011, he died in an air crash in Italy.
